

The Joe Garassino Foundation

December 2020

Dear Joe Garassino Foundation Sponsor,

We hope that you and your family are doing well during these times. We are sorry we couldn't hold our 8th Annual Joe Garassino Golf Tournament and Cancer Dinner this year. Our mission of helping families battling cancer in our community has not been forgotten and is even more important during these challenging times.

We are committed to continuing to give to cancer recipients for the 2020 year and hope you will consider making a donation. We have been able to provide funds to several families who are battling cancer in our community this year and all because of your generosity in the past. We would not be here without you.

With your support, we can keep Joe's memory alive and help families in our community who are battling cancer. Having a cancer diagnosis is terrifying during regular times and this year, 2020 has been a year to test us all. More than ever, our greater Waterbury community needs our love and support more than ever.

Thank you for all you have done over the years to sustain the mission of the Joe Garassino Foundation. We are doing something very special in our community by supporting each other and helping families who have been diagnosed with cancer.

Wishing you and your family health and happiness.

Sincerely,

Mike Garassino
